Featured review about Trichy

First Motherland Step.

"Plenty of people(thats the right word to say)all around from North to South and East to West,gave my family the homely behaviour.Astonished with the heavy traffic but yet very experienced drivers manoeuvring their vechicles skillfully and signalling with the periodical sound of the horns indicating their say on the movements.They were awesome drivers with understanding.To be very honest during my stay and travel around Trichy and to Palani we did not encounter any accidents involving vechicles.Thumbs up guys.

Food, sight-seeing and shopping: Food was wonderful, splendid and tasty,especially the Prata with the gravy and the onions soaked with yogurt....ermmmmm feel like eating now.

Sight-seeing was with great feelings especially when we first stepped our legs up the Uchi Pillaiyar(Rockfort Temple),the pathway leading to temple was unbelievable to us when we came to know that it was manmade steps of rocks.And the long trip from Trichy to Palani was wonderfull sight-seeing for us,when we saw all the different house of worship along the way.Going up the steps leading the Planin Malai Murugan's destination was a dream come true for my family.

Shopping was great when we went Sarath's,with the huge store along the stretch was eye catching and we could get all what we want to get under one roof.GREAT.

Activities & things to do: Our activities went on easy with our very trustworthy,honest and reliable

Auto driver(Mr.Manivel)...we plan our day but he will finish our destination within the stipulated time.He even took us for a 'Tiffin' at a restaurant (name not sure) and spend us with is own money.UNBELIEVEABLE)
Off course for is good deed we got a Saree for his wife.

Travel tips, How to reach, travel warnings etc: My travel tips is very simple-let HOLIDAY IQ take care of you and your family." - **Silvarajan Vallipuram**, , Oct 10, 2010
